EXPERIENCE

Aug. 2023 - Nov. 2025

Manager, ThunderVision

Oklahoma City Thunder (NBA)

Maintain organization of projects, video footage and archival content. Direct select Thunder and G-League game-night productions. Assist with management of all full and part-time video personnel. Assist with the ideation and implementation of all video and motion graphics projects. Troubleshoot technical issues in the control room and implement maintenance plans to fix. Work with the equipment providers to learn the proprietary software and hardware to be used to its maximum potential and train gameday staff on the equipment. Assist in planning, creating, and executing video production elements used during home games and third-party events.

2014 - 2023

Director, Video and Multimedia

Iowa Cubs (MiLB, Triple-A Affiliate of the Chicago Cubs)

Direct game presentation and entertainment for in stadium show. Produce live game broadcasts for Marquee Sports Network, TV home of the Chicago Cubs. Create, edit and execute video elements for the stadium video boards and television broadcasts. Write, organize and edit the script for in-game entertainment. Direct video crew, Public Address Announcer, and promotions team. Shoot, collect, organize and edit footage for television commercials and in-game promotional videos. Assemble lighting equipment and back drops for photo and video shoots. Select and train video interns. Edit still images and advertisements for in-stadium print publications and social media. Assist sales staff in sponsorships (from proposals to execution).
